Reference: April Quarterly Report (01/01/2014 - 03/31/2014)

In response to a notice received from the FEC dated May 7, 2014 regarding the report reference above, the committee has taken the following steps to resolve all issues:

-We have amended the above referenced report, the January 31 Year End, and July 15 Quarterly, correcting the in-kind contributions originally reported at their expected value of \$5,200 for Ken Allaire, Maria Allaire, Lauren Hendrix, Isabella Mallow, and James Peck. The actual invoiced values are reported in their correct periods. The in-kind contribution was originally recorded at expected value due to clerical error. The actual invoiced values were gathered and reported in the correct period in which the contribution occurred. Due to the amendments being made to the January 31 Year End, April 15 Quarterly, and July 15 Quarterly, the actual amounts were equal to or below the \$2,600 Primary election contribution limit. However, redesignation letters were sent out to all five in-kind contributors on 5/12/14.

-We have amended the above referenced report, providing the proper election designations for contributions.

-We have amended the above referenced report, providing the Column B totals for the Summary and Detailed Summary Pages.
All reports reflect the correct totals.

-We have amended the above referenced report, disclosing the identification of all individuals who contribute in excess of \$200 in an election cycle, including first and last name, mailing address, occupation, and name of employer.

-We have amended the above referenced report, clarifying all inadequate purposes of disbursements.

-We have amended the above referenced report, clarifying all inadequate descriptions of 'In-kind - ' disbursements.

In addition to the response provided above, the committee is dedicated to disclosing, correcting and reporting any errors that have been discovered through the treasury transition process which began mid-June. The committee has taken the following steps to resolve all additional issues:

-We have amended the above referenced report, including a disbursement for the amount of \$2,017.85 to Harris Media, LLC.

The transaction was added to the bank reconciliation with a date of 4/3/2014. The check date for the disbursement was 3/25/2014.

-We have amended the above referenced report, reattributing all contributions originally Edward Beeson to Lillian Beeson.

The contributions were originally reported erroneously due to clerical error stating that the late Edward Beeson Jr. had contributed a total of \$2,100 in the first quarter of 2014.
